

### About the 5th Offshore RMB Markets Conference in 2015

Modeled on the past four successful versions of the Offshore RMB Markets Conference in Asia, the 2015 edition was held on Tuesday 28 April in Hong Kong.

The conference attracted over 450 participants representing various regulatory bodies and financial institutions from Asia and Europe in both active forums and networking sessions. Among over 45 senior speakers we had **The Hong Kong Special Administrative Region Government, International Monetary Fund (IMF), Hong Kong Monetary Authority (HKMA), UK Trade and Investment (UKTI)**, corporate treasurers, investors, sell side and many other leading financial organizations.

*The industry-wide conference focused on the development of the offshore RMB market as a key component of that RMB internationalization in the region and globally, aiming to provide a timely platform for interesting dialogue and debate.*

*We specially thank the sponsors and partners for the valuable support including Standard Chartered, Thomson Reuters, ANZ, Bloomberg, City of London, Euroclear, HKUST-NYU Stern, J.P. Morgan, Moody's Investors Service, Standard & Poor's Rating Services and the various endorsers.*

*We have received very positive feedback from the stakeholders including speakers, delegates, and sponsors. Most of them found the speakers excellent, the discussions highly informative and interactive, and the conference thought provoking and enjoyable with the opportunity to meet the various senior representatives with similar interests in financial regulation.*
